Dear Parent/Carer

## Every Family Matters - Supporting your child

Your child recently started school, or is about to start school in January 2007, an important event in all your lives. Your involvement in their schooling has a big impact on their learning and achievement all through their school years.

You have probably had details from your child's school about the day to day routine, the school's expectations, and how to contact them. As well as this, the council, in partnership with the Children's Society, invite you to an informal meeting where you can talk about how you can help your child at school, meet other parents and find out about local services offering support, assistance and guidance.

**The meeting for schools in the South and East of the Borough will be held at Goldsmiths Community Centre, Castillon Road, London SE6 1QD on Tuesday 28th November at 1.00 p.m. An evening meeting is also being held at the Civic Suite, Lewisham Town hall, Catford on 30th November at 6.30 p.m. Refreshments and a Crèche will be available at both.**

It may be possible to arrange for transport from school to either meeting and back again. If you would like this, if available, please say so when you return this letter to your child's school.

Please do come. Please return the reply slip within seven days or phone 020 8692 2699 letting us know which meeting you can come to. This is an important time for you and your child and we very much hope you will be able to join us at one of the events.
